

## **Garments Pattern lab:**

This lab is equipped with pattern paper, marker paper, pencil, eraser etc to make the students competent so that they can make manual pattern and marker precisely. Pattern is paper where the different parts of a dress are sketched according to the measurement. Marker is a paper where the separate pattern pieces are set to minimize the fabric consumption. Marker efficiency is an important factor to evaluate a textile engineer.

The key part of this lab include:

1. Experiment table: This table is used to make pattern on pattern paper
2. Pattern Paper: This is used for making pattern.

Experiment table

Pattern Paper

Name of the Craft Instructor in charge of Garments Pattern Lab..
